📊 Example: 10,000 boosters = \$5000 every month steady income! 🚀

👉 The more your team grows, the stronger your monthly income becomes.

## Booster Linked Leadership Eligibility

# Booster Leadership Income Qualification

To keep enjoying **Booster Leadership Income**, you must fulfill a simple monthly sales requirement based on the size of your 5-level team boosters.

Here's how it works:

5-Level Team Boosters	Monthly Direct Booster Sales Required
1 - 99	1 Direct Booster Sale - \$20
100 - 199	2 Direct Booster Sale - \$40
200 - 299	4 Direct Booster Sale - \$80
300 - 399	6 Direct Booster Sale - \$120
400 - 499	8 Direct Booster Sale - \$160
500 - 599	10 Direct Booster Sale - \$200

✓ Leadership income depends on monthly direct booster sales

💡 Steady sales = steady leadership rewards

✓ If you don't complete the full requirement → you'll get income only up to the lower slab

✓ Example: 299 boosters team → need 4 direct sales. If only 1 sale is done → income counted till 1-99 range only

📊 Team boosters matter, but direct sales unlock slabs

✓ The bigger your team → the higher your slab → the more you earn

🚀 Growth in team = growth in income
